

Captains Report for May 2015.

We have attended 2 races this last month at Bristol at Avon and Monmouth Regatta.

For Bristol At Avon we had one entry that was Anne-Marie and Peggy and I think they both had the experience of side to side racing in a very good race which resulted in Rowers cough for half an hour after racing.

In Monmouth with had several crews racing and good racing was had by coxed fours with the two Mike's, Gavin and John. In the Saturday racing Masters B/C 4+ race got through to Final in two races .

On Sunday we had some wins with WIM3 going through to final with wins with Mike Masters D 1 x and Mx D/E 2x winners .

This Sunday has seen an increase in Juniors with 18 Juniors rowing 3 Quads and 3 Doubles on the water. We can expect these racing shortly.
